AMARANTE NATURAL CHARM

Amarante is everything you would expect from a Portuguese town: the river runs through the city, slopes, tiles, ecclesiastical pomposity, stairs and bridges. It breathes history, heritage and offers imposing monuments and distinct personalities.

In the wake of Amadeo de Souza-Cardoso, we discover a city made up of conventual sweets, restaurants that serve the flavors of the region with good wine to accompany and where art and literature are around every corner.
